Miss Dummy PATIEN T K

Dear Miss Dummy PATIEN T K

NHS No: **DOB:** [Click here to enter text.](#)

We are writing to invite you to contact your Lewisham Health Visiting Team on the above telephone number to arrange an antenatal appointment with one of our health visitors, at a time convenient to you. This is to discuss aspects of your health and wellbeing during your antenatal period and to offer you any advice and support appropriate to your circumstances. If you feel you do not require an antenatal appointment, we will contact you following the birth of your baby.

Please visit our web page for more information about the role of the Health Visitor:

<http://www.myhv.lgt.nhs.uk>

Lewisham Health Visitors are working in conjunction with digital eRedbook. The eRedbook is the digital version of the paper red book handed out to parents when a baby is born. At present it is a digital backup to the paper red book but in time it will replace it for those who choose to have a digital record.

You can access eRedbook by downloading the eRedbook app from the play or app store or by visiting the eRedbook website: www.eredbook.org.uk. We recommend you login prior to baby being born through your **NHS login** as this will automatically link your baby to your account after delivery. Your baby's details can then flow through to your eRedbook.

When we contact our antenatal clients, we make every effort to ensure the information we have is up to date, however if you have suffered a pregnancy loss we would like to apologise for any distress receiving this letter may have caused. We are currently improving our communication links with our local Early Pregnancy Assessment Unit Team to try and minimise this happening in the future.

We look forward to seeing you

Yours sincerely
